Hi Gur,

Attached is the latest spreadsheet from the California PCA/PCI report review. As you can see, not much has changed since 10/1/20. There are still 4 PCA and 3 PCI reports for which we still have not received drafts from the Regional Boards. Do you know if any of these reports have been drafted and sent to directly to the POTW?

I'm looking forward to the first of the year and hoping we are able to travel soon thereafter so that we can complete the remaining tasks in person.

Thanks,

Chuck Durham
